Dear Doctor,

I have been directed by the Kansas Board of Veterinary Examiners to make contact with all Kansas licensed veterinarians who do not operate from a veterinary premise as defined by K.S.A. 47-816(k) and/or who have not disclosed a work location.

We have been directed by the State Legislature’s Joint Committee on Administrative Rules and Regulations to inspect all mobile practitioners in the state and monitor for compliance to standards that fall under Kansas Administrative Regulations 70-7-1. This regulation addresses the minimum standards of practice of veterinary medicine which fall within the parameters of the Kansas Veterinary Practice Act.

The statutes and regulations can be reviewed from our website https://kbve.kansas.gov/statutes/

Thank you in advance for your time and cooperation in filling out this questionnaire to make this process as simple as possible please complete the attached questionnaire and return to the board office by January 17, 2020.

If you have any question, please feel free to contact me at the information listed below.

Sincerely,

Konrad Coe
