The Kansas Board of Veterinary Examiners has a pamphlet of statutes and regulations, for the convenience of the public and is meant to be used only as a reference. While the Kansas Board of Veterinary Examiners has made every effort to accurately reproduce these statutes and regulations, they are not the official statutes and regulations of the State. The Kansas Statutes Annotated (K.S.A.), published by the Revisor of Kansas Statutes, and the Kansas Administrative Regulations (K.A.R.), published by the Secretary of State should be consulted for the text of the official statutes and administrative regulations of the State.
