The Respondent's license to practice veterinary medicine in Kansas is active and will expire on June 30, 2019.

Case 17013

Respondent accepted the Tramadol, and he took this medication knowing that this medication was marked as being from a veterinary clinic.
- c. In addition, Respondent testified that during the summer of 2017, Respondent took a Tramadol pill that he prescribed for his dog.
- d. Respondent also testified that he had failed at times to record that each dose of

medication administered to patients was properly recorded in the patient's medical record.

- e. Additionally, Respondent failed at times to record in the controlled substance logs the current quantity on hand when a controlled drug was administered or dispensed to patients.

Such fine may be assessed in lieu of or in addition to such discipline. The proceedings under this act shall be conducted in accordance with the Kansas Administrative Procedure Act, and the board shall have all the powers granted therein.

7. Respondent and the Board mutually desire to enter into this Consent Agreement and Final Order in lieu of further summary and adjudicative proceedings.

8. Respondent understands that by entering into this Consent Agreement and Final Order Respondent waives all rights to further adjudication of facts and law that could be determined
