**Case No. 20001**

Pursuant to K.S.A. 77-501, *et seq.* [KAPA]

**EMERGENCY PROCEEDING ORDER OF SUSPENSION**

**SUMMARY OF CASE**

The Kansas Board of Veterinary Examiners (“Board”) received information sufficient to cause a reasonably prudent person to believe that Respondent Alexandra Brooks-Schrauth, D.V.M., currently represents a danger to the health, safety and welfare of the general public based upon reliable evidence.

This Emergency Proceeding Order, issued pursuant to the Kansas Administrative Procedure Act (“KAPA”), K.S.A. 77-536, temporarily suspends Respondent’s license to practice veterinary medicine in the State of Kansas until further Order of the Board or Order of the District Court.

**FINDINGS OF FACT**

1. Alexandra Brooks-Schrauth, D.V.M., (“Respondent”) is and was at all times relevant hereto licensed by the Board to practice veterinary medicine in the State of Kansas pursuant to the Kansas Veterinary Practice Act, K.S.A. 47-815, *et seq.*, and amendments thereto.

Respondent currently holds an active veterinary license, number [REDACTED], which is scheduled to expire June 30, 2020.

2. On or about January 2, 2020, Respondent entered into a Consent Agreement and Final Order (“Consent Agreement”) with the Board, in Case Nos. 19008 and 19042.

3. The parties entered into this Consent Agreement related to Respondent’s violation of the Kansas Veterinary Practice Act. Specifically:

a. Respondent was in violation of K.S.A. 47-830(e), in that Respondent pleaded guilty to her third Driving Under the Influence (“DUI”), which resulted in a felony conviction.

b. Respondent was in violation of K.S.A. 47-830(m), in that the State of Missouri revoked Respondent’s Missouri license to practice veterinary medicine.

4. The facts supporting these aforementioned violations are:

a. On or about March 19, 2019, Respondent self-reported to the Board that she pleaded guilty to DUI on November 19, 2018. This was Respondent’s third conviction for this offense and this instant conviction was now a felony.

**APPLICABLE LAW**

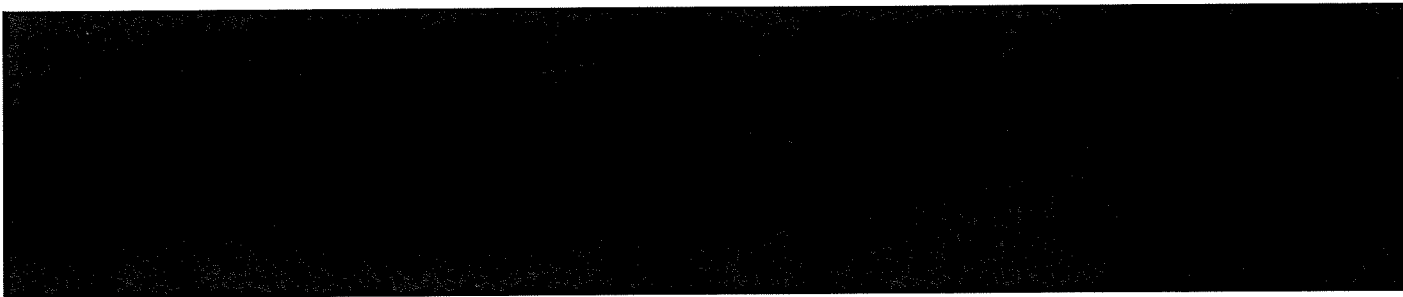

10. Pursuant to K.S.A. 77-536 of the Kansas Administrative Procedure Act:
- (a) A state agency may use emergency proceedings: (1) In a situation involving an immediate danger to the public health, safety or welfare requiring immediate state agency action or (2) as otherwise provided by law.
  - (b) The state agency may take only such action as is necessary: (1) To prevent or avoid the immediate danger to the public health, safety or welfare that justifies use of emergency adjudication or (2) to remedy a situation for which use of emergency adjudication is otherwise provided by law.
  - (c) The state agency shall render an order, including a brief statement of findings of fact, conclusions of law and policy reasons for the decision if it is an exercise of the state agency's discretion, to justify the state agency's decision to take the specific action and the determination of: (1) An immediate danger or (2) the existence of a situation for which use of emergency adjudication is otherwise provided by law.
  - (d) The state agency shall give such notice as is practicable to persons who are required to comply with the order. The order is effective when rendered. Notice under this subsection shall constitute service for the purposes of the Kansas Judicial Review Act.
  - (e) After issuing an order pursuant to this section, the state agency shall proceed as

quickly as feasible to complete any proceedings that would be required if the matter did not justify the use of emergency proceedings under subsection (a).

(f) The state agency record consists of any documents regarding the matter that were considered or prepared by the state agency. The state agency shall maintain these documents as its official record.

(g) Unless otherwise required by a provision of law, the state agency record need not constitute the exclusive basis for state agency action in emergency proceedings or for judicial review thereof.

11. 13. Pursuant to K.S.A. 47-830(o)(5): The Board, in accordance with the provisions of the Kansas Administrative Procedure Act, may refuse to issue a license, revoke, suspend, limit, condition, reprimand or restrict a license to practice veterinary medicine or an institutional
