

# How to Renew your Veterinarian License and Premise Registration

If you presently hold a KS license, your login credentials were sent to you on April 13, 2026, in your email. These credentials include your username and password. If you cannot find that email, please check your spam or junk folder. If you still cannot locate it, you may reset your password and then renew your Veterinarian License by following the instructions below.

1. Please go to this link and follow the instructions below: [Kansas Enterprise Licensing Portal](#)
2. Once you log in, enter your username and password. Unless you can't find it, then click on **Forgot Password**. See image below.

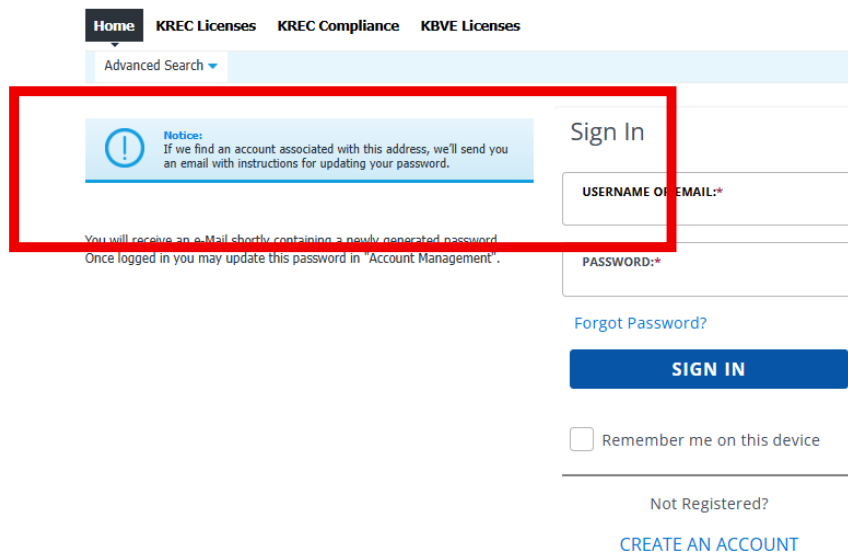

The screenshot shows the 'Sign In' section of the Kansas Occupational Licensing Portal. It includes a 'Forgot Password?' link and a 'SIGN IN' button, both of which are highlighted with a red rectangular box. The page also features a search bar, a welcome message, and navigation links for 'General Information', 'KREC Licenses', and 'KREC Compliance'.

3. Please enter the **E-mail Address** you have previously provided to KBVE. If an account associated with that email is found, you will receive an email with a username and a temporary password. If you have recently changed your email address and the KBVE office does not know this email address change, please notify the KBVE office at (785) 456-8781 or [vetboard@ks.gov](mailto:vetboard@ks.gov).

The screenshot shows the top navigation bar with 'Home', 'KREC Licenses', 'KREC Compliance', and 'KBVE Licenses'. Below is an 'Advanced Search' dropdown. The main heading is 'Reset Password' with the instruction: 'To reset your password, please provide the email address registered with your account.' A red box highlights the '\* E-mail Address:' label and the text input field. Below the field is a blue 'Continue >' button. At the bottom is a dark blue footer with 'State of Kansas'.

4. After providing your email address, you will see a **Notice** stating that you will be sent an email with instructions for updating your password.

The screenshot shows the top navigation bar with 'Home', 'KREC Licenses', 'KREC Compliance', and 'KBVE Licenses'. Below is an 'Advanced Search' dropdown. A red box highlights a blue notice box on the left that says: 'Notice: If we find an account associated with this address, we'll send you an email with instructions for updating your password.' To the right of the notice is the 'Sign In' section, which includes a 'USERNAME OR EMAIL: \*' input field, a 'PASSWORD: \*' input field, a 'Forgot Password?' link, a blue 'SIGN IN' button, and a 'Remember me on this device' checkbox. At the bottom are links for 'Not Registered?' and 'CREATE AN ACCOUNT'.

5. You will receive an email from [ELP@ks.gov](mailto:ELP@ks.gov). If you don't see the email, please check your spam or junk folder. If you have recently changed your email address and the KBVE office does not know this email address change, please notify the KBVE office at (785) 456-8781 or [vetboard@ks.gov](mailto:vetboard@ks.gov).
6. In the email, click the link in blue saying: [Click here to access the Citizen Access Portal](#).

**Step 3: Office Manager Information > Office Manager**

Office Managers are optional individuals designated for maintaining the Premise Registration and annual renewals. Ultimate responsibility remains with the Operating Managing Veterinarian (OMV). Both the OMV and Office Manager will receive communications regarding this veterinary premise, including inspection information. If an Office Manager is not added, the OMV will be the only recipient of communications regarding this veterinary premise.

Every Office Manager must have an active portal account before adding their information to this page. Their first and last names, and e-mail must match how they registered for their portal account. If you would like to add an office manager who has not yet registered for an account, click the "Save and resume later" button to save your renewal until their registration is complete. Return to this renewal at a later time to add their information.

Regardless of having an Office Manager or not, OMVs will always receive communications regarding the veterinary premise. Office Managers are not a requirement of a veterinary premise.

OMVs of this veterinary premise should not add themselves as an Office Manager. OMVs will receive all communications for this veterinary premise regardless if they have an office manager listed or not.

\* indicates a required field.

**Office Manager Verification**

**Office Manager Update**

Use the fields below to make changes or updates to the veterinary premise office manager. If no changes need to be made, select no change.

If you have an existing office manager and you want to remove them, select remove. If you have an existing office manager or you do not have an office manager and you wish to add one, select Replace. If you have an existing office manager and need to change their phone number, select update phone. If you have an existing office manager and need to change their email address, they will be required to register for a new portal account with their new e-mail.
